School Overview

Bowen State Primary School has been proudly serving the community of Bowen and district since 1864. Our 455 students feel success, have positive self-image, excel and confidently master new skills. The student population is unique, combining a rich blend of socio-economic and culturally diverse elements. We aspire to empower all students to learn and reach their full potential. We believe that every student should be supported to become creative, collaborative, independent learners, who have a strong sense of community and strive for excellence.

Bowen State School is committed to knowing our students as unique individuals. We provide a student-centred, engaging curriculum that is committed to the learning development of the whole student, preparing students to be active and responsible global citizens with an inquiring minds.

At Bowen State School we aim to achieve the best educational outcomes for every student and believe that 'every child matters every day and all students can achieve'. We ensure that all students are: provided with work suitable to their learning needs; supported to have friends and great relationships at school; engaged in learning to ensure they progress towards their learning goals; respected and valued and see the value of each person's cultural identify.

Our school is active in the community, participating in Anzac Day, Festivals, community performances for special audiences (choirs, instrumental bands, recorder band and verse speaking), and local sporting competitions. Our Chaplain addresses the religious, spiritual and/or ethical needs of students. The value of the parental role in education is well recognised at Bowen SS. Parents are encouraged to become actively involved in the school, in our vibrant Parents and Citizens Association and in attending parent activities.

Curriculum Delivery

Our Approach to Curriculum Delivery

In 2017 our school wide curriculum, assessment and reporting framework was aligned to the Australian Curriculum and Queensland Curriculum time allocations. Students engaged in learning within the subjects of English, Mathematics, Science, History, Geography, LOTE (Languages Other than English), Health and Physical Education, Technologies and Music.

A qualified Physical Education teacher provides Prep to Year 6 children with a rich program of skill development, game knowledge and age appropriate movement studies. Sports days are held for our Junior (Prep to Year 3) and Senior (Year 4- Year 6) students. Year 5 and Year 6 students have the opportunity to participate in representative sport, trialing in a wide variety of sports for District, Regional and State through Queensland Schools Sport. Music education provided by a qualified Music teacher is taught from Prep to Year 6. The development of musical skills are enhanced through the provision of an Instrumental Music Program, Recorder Band and Choir.

The learning engagement program in Years Prep to Year 6 allows children to access targeted support in Literacy, Mathematics and Wellbeing. A large number of our students engage in these support provisions throughout the academic year.

Staff were provided with significant professional development to ensure a deep understanding of curriculum knowledge. Each teaching cohort was released for planning for each unit to develop a shared belief and understanding of the curriculum requirements for monitoring, summative and inquiry based learning.

Co-curricular Activities

- School Choir
- Instrumental music program
- Recorder Band
- Environmental Education
- Reading Hub
- Excursion directly relate to learning (Reef HQ, Junior and Senior Sports Carnival, Under 8's Day, Reef Trip, School Fancy dress)
- Special School Events – Harmony Day, NAIDOC, ANZAC day

How Information and Communication Technologies are used to Assist Learning

All classrooms have an interactive Smartboard which is connected to the internet and is used in all subjects. All classrooms have computers which are connected to the internet to support student learning. All classes have access to the computer Lab in the library for at least 1 hour per week. There are currently 20 iPads being used across the school by students individually or in groups. In 2017 the current practice of ICT includes the following:

- iPads are used to assist in intervention programs
- Computer lab is accessed by all classes
- Bee Bots are used to support teaching and learning

Social Climate

Overview

All learning at Bowen State School is founded on high expectations and the four values of our school; being responsible, being respectful, being safe and being a learner. The school made significant progress towards aligning current practice with Positive Behaviour for Learning in consultation with students, staff and parents. A Behaviour Support Teacher was employed to support students and teachers with student wellbeing practices.

The school employed a Chaplain (4 days a week) and a Guidance Officer (4 days a week) and an Indigenous Support Teacher Aide (5 days a week) to support students wellbeing. The school developed a clear referral process and case management of students was implemented. Students who require additional support were provided with interventions to support specific needs of the individual child.

Parent and community engagement

The school has developed a positive relationship with the parent body and local community. The P and C Association is a small and active group at Bowen State School. The P and C assisted the school in providing catering for school fancy dress and Variety Bash, supported the school with the Year 6 graduation and fundraising for different events, such as; Jump Rope for Heart, Mother's Day and Pie Drive.

Parents/carers have a broad array of opportunities to be involved in their child's education. The school reports to families four times a year, either through parent/teacher interviews (verbal) or report cards (written). Further to this, the school uses fortnightly newsletters to advise parents/carers of activities, the child's achievements, items of interest to families and reports from the P and C, Guidance Officer and Chaplain.

The school actively promotes parent/carer participation in school activities, such as; reading hub, reading groups, swimming program, sports days, Instrumental music performances and celebration of learning fairs. Parents are invited to attend special parades such as ANZAC Day, Remembrance Day and Graduation Ceremonies.

Respectful relationships programs

In 2017, Bowen State School implemented Positive Behaviour for Learning (PBL) school-wide. The PBL Framework is aimed at achieving social and emotional learning outcomes through positive learning environments for students and teachers, while preventing problem behaviour. It is expected that all staff use the language of our four values; being respectful, being responsible, being safe and being a learner, when speaking about behaviour expectations to students. Our positive behaviour focus for each week is taught through PBL lessons that relate directly to our school values. The school values are reinforced with GOTCHA's for students who are displaying the behaviour that are expected at the school.

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	67	38	60
Long Suspensions – 11 to 20 days	0	2	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

Bowen State School continues to monitor our environmental footprint and have an environmental committee in place at the school. The power consumption continues to be a focus. We continue to develop strategies on minimizing power consumption by ensuring all unused hot water systems and fridges are switched off, all unnecessary appliances are turned off over the holidays and computers, interactive Smartboards and lights are switched off when students and teachers leave the classroom.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	238,509	21,455
2015-2016	142,645	103
2016-2017	239,711	7,380

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Bowen State School, the following procedures are in place to manage student attendance:

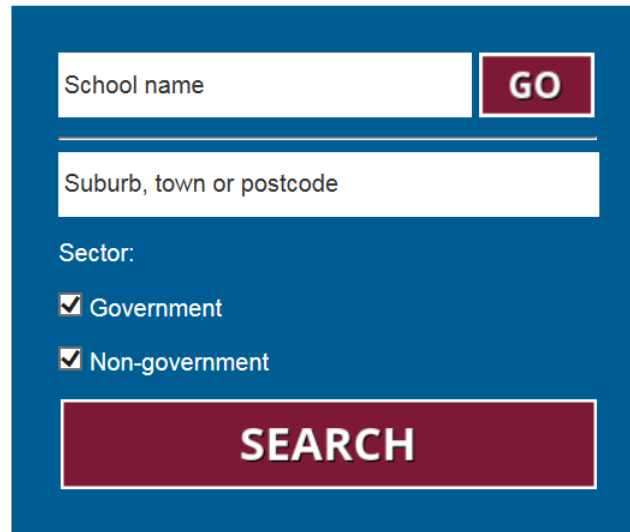

- Rolls are marked twice a day (am and pm)
- Students who are marked with an unexplained absence, a SMS School alert text message is sent home.
- Individual student attendance is monitored on a 5 weekly basis.
- Class attendance monitoring daily
- Whole school attendance monitoring
- Positive reinforcement for students who attendance is 95% or above (certificates, letter sent home to parents, attendance wrist bands and attendance badges)
- Attendance meetings and attendance plans for students whose attendance is less than 85%

The image shows a search form titled "Find a school" with a blue background. It contains the following elements:

- A text input field labeled "School name" with a red "GO" button to its right.
- A text input field labeled "Suburb, town or postcode".
- A "Sector:" label followed by two checked checkboxes: "Government" and "Non-government".
- A large red button with the word "SEARCH" in white capital letters.

Where it states **'School name'**, type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School NAPLAN information is available by selecting **'NAPLAN'** in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.
