

Investing for Success

**Under this agreement for 2022
Bowen State School will receive**

\$278,801

This funding will be used to

- 90% C or higher English across year all year levels
- Increase % of students achieving A and B across all year levels in English
- 100% of marker students are moving forward in their learning
- 85 % of Prep -2 students achieve reading bench mark

Our initiatives include

- Aligning staff professional development to an explicit improvement agenda around the teaching of Reading, Writing and effective pedagogical practices in the classroom
- Continuing to embed coaching to all staff to support an expert teaching team
- Aligning whole school practices around deepening the understanding of the Australian Curriculum to support assessment literate students through the use of – Learning Walls, Learning Intention/Success Criteria and Quality Teaching & Learning in English

Our school will improve student outcomes by

- Providing opportunities for staff to engage in regular coaching conversations and planning \$ 11,648
- School purchase additional teacher allocation \$ 267,153
